

NEWS RELEASE

Port Logistics Group a Sponsor, Exhibitor at RVCF 2013 Fall Conference

Leading retail logistics provider continues support of innovative compliance initiatives

HOUSTON, October 22, 2013/PR Newswire/ -- [Port Logistics Group](#), the nation's leading provider of gateway logistics services, is a sponsor and exhibitor at the upcoming RVCF Annual Fall Conference in Scottsdale, Arizona. The conference takes place November 3rd through 6th at The Westin Kierland Resort & Spa.

Executives from Port Logistics Group including [Jeff Wolpov](#), Chief Commercial Officer, Tony DeSoto, Vice President Business Development, and Roger Decker, Vice President Business Development, will be on hand to discuss the company's initiatives to support [manufacturers](#) and suppliers in meeting the challenge of retail compliance requirements.

Port Logistics Group provides distribution services into major U.S. [retail chains](#) and as such is a key partner for [manufacturers](#) in developing retail compliance strategies. With a wide range of process, quality and technology solutions, including RFID, advanced ASN and EDI processing, and a single [inventory management](#) system across multiple ports of entry, Port Logistics Group offers innovative strategies for complying with retailer requirements, avoiding charge-backs, and becoming a preferred partner in the retail supply chain.

[Retail Value Chain Federation](#) (RVCF) is an organization that advocates trading partner alignment, retailer-supplier operating synchronization, and best practices by facilitating collaborative and educational opportunities and providing technology solutions to eliminate disruptions throughout the retail value chain. RVCF includes North America's leading retailers, merchandise suppliers, and service providers.

ABOUT PORT LOGISTICS GROUP:

[Port Logistics Group](#) is the nation's leading provider of gateway logistics services, including value-added warehousing and distribution, transloading and cross-docking, vendor consolidation and national transportation. With nearly 5 million square feet of warehouse space strategically located in and around major North American ports, Port Logistics Group provides the critical link between international transportation and the "last-mile" supply chain.
