

NEWS RELEASE

Port Logistics Group a Sponsor, Exhibitor at RILA Retail Supply Chain Conference 2014

Leading logistics provider continues support of retail supply chain education

HOUSTON, February 18, 2014 /PR Newswire/ -- [Port Logistics Group](#), the nation's leading provider of gateway logistics services, is a sponsor and exhibitor at the upcoming RILA Retail Supply Chain Conference in San Diego, CA. The conference takes place February 23-26, 2014, at the San Diego Convention Center.

Executives from Port Logistics Group will be on-hand to discuss innovative [logistics services](#) that are impacting retailers and retail manufacturers today, including RFID, omni-channel distribution, and the growing trend towards distribution directly from U.S. import gateways like [LA/Long Beach](#), [NY/NJ](#), [Seattle](#) and [Savannah](#).

Port Logistics Group provides a complete range of [3PL](#) services for major U.S. retail chains and as such is a key partner for [retailers](#) and consumer goods [manufacturers](#) in developing solutions that deliver on customer commitments. From individual [gateway logistics](#) services like [transportation](#), [warehousing and distribution](#) to fully integrated outsourced solutions, Port Logistics Group offers innovative strategies for solving the most complex retail logistics issues.

The [Retail Industry Leaders Association \(RILA\)](#) represents America's leading retailers. As the retail industry's advocate in Washington, RILA is a trusted source dedicated to telling the retail industry's story and informing lawmakers of the impact and consequences of the decisions they make. On the retail operations side, RILA provides a forum where members can conduct discussions aimed at understanding common operational practices, areas of concern, and pragmatic solutions to problems.

ABOUT PORT LOGISTICS GROUP

[Port Logistics Group](#) is the nation's leading provider of gateway logistics services, including value-added warehousing and distribution, transloading and cross-docking, vendor consolidation and national transportation. With nearly 5 million square feet of warehouse space strategically located in and around major North American ports, Port Logistics Group provides the critical link between international transportation and the "last-mile" supply chain.
