

NEWS RELEASE

Port Logistics Group a Sponsor, Exhibitor at RILA Logistics 2013 Conference

Leading logistics provider continues support of retail supply chain education

HOUSTON, February 12, 2013/PR Newswire/ -- [Port Logistics Group](#), the nation's leading provider of gateway logistics services, is a sponsor and exhibitor at the upcoming RILA Retail Supply Chain Conference: Logistics 2013 in Orlando, Florida. The conference takes place February 17th through 20th at the Gaylord Palms Resort & Convention Center.

Executives from Port Logistics Group including [Jeff Wolpov](#), Chief Commercial Officer, [Greg Morello](#), Chief Marketing Officer, Tony DeSoto, Vice President Business Development, and Ike Nixon, VP Transportation Business Development, will be on hand to discuss retail logistics solutions from inventory management and order fulfillment to domestic vendor consolidation.

Port Logistics Group provides a complete range of 3PL services for major U.S. retail chains and as such is a key partner for [retailers](#) and consumer goods [manufacturers](#) in developing logistics solutions that deliver on customer commitments. From individual gateway logistics services like warehousing, distribution and transportation to fully integrated outsourced solutions, Port Logistics Group offers innovative strategies for solving the most complex retail logistics issues.

The [Retail Industry Leaders Association \(RILA\)](#) is the trade association of the world's largest and most innovative retail companies. RILA members include more than 200 retailers, product manufacturers, and service suppliers. On the retail operations side, RILA provides a forum where members can conduct discussions aimed at understanding common operational practices, areas of concern, and pragmatic solutions to problems.

ABOUT PORT LOGISTICS GROUP:

[Port Logistics Group](#) is the nation's leading provider of gateway logistics services, including value-added warehousing and distribution, transloading and cross-docking, vendor consolidation and national transportation. With more than 4 million square feet of warehouse space strategically located in and around major North American ports, Port Logistics Group provides the critical link between international transportation and the "last-mile" supply chain.
