Port Logistics Group Named a “Top 100 3PL” by *Inbound Logistics*

Recognition reflects growth, service to customers

HOUSTON, August 14, 2012 /PR Newswire/ -- [Port Logistics Group](#), the nation’s leading provider of gateway logistics services, today announced that it has been named a “Top 100 3PL” by *Inbound Logistics* magazine.

The Top 100 3PLs were selected from a pool of more than 250 leading 3PLs that submitted questionnaires for consideration. The selection process involves evaluation of these surveys, phone interviews and online research by the editorial staff of *Inbound Logistics*.

“We are very pleased to be named as a Top 100 3PL provider, especially in today’s highly competitive marketplace,” said Bob Stull, CEO of Port Logistics Group. “Four years ago, we set out to build a company that meets the unique needs of importers at U.S. gateways, and this recognition is an indication that our message and services are aligned with customer needs.”

The list was published in the print version of the July issue of *Inbound Logistics*, and it is available online in the digital edition at www.inboundlogistics.com/digital.

ABOUT PORT LOGISTICS GROUP

[Port Logistics Group](#) is the nation’s leading provider of gateway logistics services, including value-added warehousing and distribution, transloading and cross-docking, vendor consolidation and national transportation. With more than 4 million square feet of warehouse space strategically located in and around major North American ports, Port Logistics Group provides the critical link between international transportation and the “last-mile” supply chain.
